

GET PAID FASTER

ACCOUNTS RECEIVABLE OPERATIONS FOR SMALL AGENCIES

FOUNDING COHORT

30-DAY FOUNDING PILOT

Turn invoice follow-up into a system.

We install a professional, customer-approved workflow so every open invoice has a reliable status, a named owner, and a dated next action - without acting as a collection agency or taking custody of payments.

\$350

ONE TIME / 30 DAYS

NO RECOVERY PERCENTAGE - NO AUTOMATIC RENEWAL

BEST FIT

Small U.S. agencies with recurring invoices

WHAT IS INSTALLED

- One reconciled aging view
- One owner and next action per invoice
- Customer-approved reminder sequence
- Exception and escalation routing
- Weekly operating review
- Staff handoff and Day-30 results summary

HOW THE 30 DAYS RUN

- 01 Baseline**
Map the current process and confirm the starting measures.
- 02 Install**
Build the view, ownership rules, approved messages, and exception paths.
- 03 Operate**
Run weekly reviews and record movements, stalls, and decisions.
- 04 Decide**
Review the Day-30 result and stop or accept a separate managed scope.

CLEAR SAFEGUARDS

Client-facing wording and timing remain under your approval. Funds stay with your business. Get Paid Faster provides workflow support - not legal, accounting, bookkeeping, tax, settlement, credit-reporting, payment-custody, or debt-collection services, and no recovery result is guaranteed.

DELIVERY COMMITMENT

If the agreed workflow and dashboard are not delivered within 14 days because of our execution failure, the pilot fee is refunded under the written scope.

NEXT STEP

Confirm fit before any payment request.
